RE: Abatement Publication Deadline

DATE: November 21, 2014

The purpose of this memorandum is to remind county assessors and county auditors that pursuant to IC 6-1.1-12.1-8 (see below), the annual deadline to publish abatement information, including a list of the real and personal property abatement applications that resulted in abatements being granted in Economic Revitalization Areas for the current year is December 31. By way of example, if an abatement application is filed by May 10, 2014 and the applicable designating body grants the abatement for the 2014 pay 2015, 2015 pay 2016, and 2016 pay 2017 tax years, the county auditor must, by December 31, 2014, advertise the information required by IC 6-1.1-12.1-8 as explained in this memorandum. Even though the abatement in this example spans three years, it need only be reported one time in 2014. Please note that this list does not include deductions like the Homestead Deduction, Mortgage Deduction, etc. It is only for deductions in an Economic Revitalization Area, such as abatements granted by a designating body (e.g. County Council, City Council, Town Council, etc.).

In addition, the county auditor must advertise and file the information specified in IC 6-1.1-12.1-8(a)(2), (a)(3), and (a)(4) (see below) with the Department of Local Government Finance ("Department") by December 31. The Department has modified the Budget application for county units within Gateway to accept this submission. A user with either edit or submission rights to the budget forms may upload the document through the same drop down list used for the Form 3 Proof of Publication and the signed Form 4. The drop-down list that county users access now has an option for "Annual ERA Abatement Information."

Regarding the Gateway upload, there is no file format specified and a copy of the published legal advertisement would be acceptable. If no new abatements were granted in the current year (even if applications were filed in the current year), the newspaper advertisement and Gateway upload must still document the information required under IC 6-1.1-12.1-8(a)(2), (a)(3), and (a)(4). A statement that no new abatements were approved for the current year should be included in the advertisement and upload.

Please note that where IC 6-1.1-12.1-8 (below) uses the term "deductions," this should be understood to mean "abatements", including both real and personal property abatements approved under IC 6-1.1-12.1.

IC 6-1.1-12.1-8
